CARLSBAD, CA 92010

**Come and see what we're all about on
Tuesday, March 14th, from 6:00 to 8:00 PM!**

Law Enforcement Exploring is the preeminent career orientation and experience program for young people considering a career in law enforcement or a related field. Its mission is to offer young adults, 14 to 21 years old, a personal awareness of the criminal justice system through training, practical experience, competition, and other activities.

Additionally, the program promotes personal growth through character development, physical fitness, good citizenship and patriotism.

Orientation Night is a chance for you and your parents to really learn about Law Enforcement Exploring. The application process is explained in detail and the expectations of a Police Explorer are discussed. It is our hope that no question goes unanswered at the conclusion of our meeting. We want you to fully understand what the Explorer Post can do for you, and what we expect of our members. Applications are provided at the conclusion of the meeting. Those under the age of 18 must be accompanied by a parent or guardian.
